Dear Gladys:

I suppose you will be surprised to hear from me, but I didn't have anything else to do so decided to drop you a few lines.

I was home last week end for the last time I guess until Easter vacation. It's a long old pull but I like it pretty well here so I think I can stick it out. I am going to be too busy this semester to think about going home.

I am taking Zoology, Solid Geometry, Public School drawing Theory of Education and last but not least Bookkeeping. I guess you know how much work

there is to bookkeeping and I suppose that will occupy most of my time on Saturdays. The teacher assigns us a week's work at a time and I completed two week's work in one week's time so I guess it isn't so bad after all. If I could do two week's work in one all the time I could finish the eighteen week's course in nine weeks but I know that is impossible.

I suppose you heard that Nona got a new piano and I just had to go home and see it. I couldn't help kidding her about so foolish an investment, I do think she's crazy don't you? If she could play it, it wouldn't be quite so bad, but, gosh I know more about playing a piano than she does. I don't believe some people ever will have any sense do you? Say, don't let her see this letter or she sure will go up in the air

Well how is the big boy and the rest of the family? I never hear anything about you folks don't know whether you're still on earth or not. I guess you know how fluent a letter writer Ma is, I scarcely hear from them once in two or three weeks. If it wasn't for the Crofton paper don't believe I would know anything about the happenings at home.

I suppose you are wondering why I am writing to you on such fancy paper

but I guess you know how well supplied I am with stationery and I've got to get rid of it some way so it won't pile up on me like it does on Nona.

Well it is nearly supper time so I guess I will have to close for this time. Don't forget to write once in a while even if it is only a few lines. It sure is a real pleasure to get a letter once in a while, altho, I'm not a bit homesick. I believe the boys down here would go crazy if they didn't get at least two letters a week. Whoa here I intended to close but forgot. Say Hello to Rollie for me. With love  
Earl.
